**Commission Members:**

**After review of Commission projects, amendments, other factors/projections, and upon direction of the Cane River Waterway Commission board it has now been noted that there is an excess of \$3,679,846.00 in the Capital Fund account. Currently there are no Commission projects and/or intent to utilize these funds. The Commission has indicated that they want to fund governmental projects, which are processed through their General Fund account, for the 2020/2021 fiscal year. As per direction of the Commission I will amend the 2019/2020 General and Capital Fund accounts to show the movement of \$3,679,846.00 from the Capital Fund account to the General Fund account in preparation for the 2020/2021 budget allocations. The 2019/2020 amendment and the 2020/2021 budget will be introduced during the May 12, 2020 meeting and advertised for public review. A public hearing will be set for June 09, 2020 to allow for public comments with the expectation of final passage to occur during the June 09, 2020 meeting. A copy of this letter, 2019/2020 amended general/capital budget(s), and 2020/2021 general/capital budget(s) will be posted on the Commissions web site ([www.caneriverwaterway.com](http://www.caneriverwaterway.com)), in the Commission official journal, and displayed at the Commissions office located at 244 Cedar Bend, Natchez Louisiana 71456 as per law.**

Respectfully Submitted,

---
